

CITY PROPERTY INTL
— UNITED ARAB EMIRATES —

The background of the entire page is a photograph of a modern residential complex at dusk. The buildings are tall, multi-story structures with a mix of beige and light brown tones. They are illuminated from within, and their balconies are visible. In the foreground, there is a well-maintained garden with green lawns, several palm trees, and other tropical plants. There are also several black, ornate street lamps with white lanterns, some of which are lit. A paved walkway or pool deck is visible in the lower right, with a large, light-colored spherical object on the lawn. The sky is a soft, twilight blue.
